Last year, our year 4,5 and 6 students participated in the Tell Them From Me Survey which gave us valuable information about student engagement wellbeing and effective teaching practices from the perspective of our students. This year, the survey will be completed by our 4,5 and 6 students again. There is also a parents’ survey that I am hoping that you are able to complete to help us gather important information and feedback that will help to inform our future planning. The link for the parent survey is contained in this newsletter with further information.

You're invited to participate in the Tell them From Me (TTFM) Partners in Learning survey designed for parents and carers. This survey complements the TTFM student and teacher surveys, which focus on student engagement, wellbeing and effective teaching practices. All Department of Education schools have the opportunity to participate if they choose.

Why should I participate?
Parents and carers are an important and valued part of the school community. Schools can use survey feedback to make practical improvements and inform school planning.

What does it involve?
This online survey takes about 15 minutes to complete. It is anonymous and voluntary. If you have more than one child at this school, and feel that your children’s experiences differ, you can complete the survey more than once.

How can I participate?

You can access the survey in your own time, between 17 August and 16 October 2015. More information on the Partners in Learning survey can be found on the NSW Department of Educations' TTFM website:

Principal's Message
Our centenary celebrations were very successful. A great time was had by all! Our dinner dance was well attended and attendance at our Spring Fair was reportedly well over a thousand, some even say thousands. Thank you to all of our students, parents and community members who supported us and who attended our 2 fantastic days.

This term is shaping up to be a very busy one indeed. Our Stage 3 major excursion is from Monday 26th to 28th October to Australia Zoo at Beerwah and Underwater World Sea Life at Mooloolaba, Year 5 Leadership Day, Intensive
Sports Report
Get ready for a massive Term 4. We have our Swimming Scheme in Weeks 6 & 7, permission notes will go home next week. We also have Jump Rope for Heart which will be held during our Daily Fitness sessions.

Live Life Well @ School
Get out, Get Active!!

Did you know: over 70% of Australian children aged over 5 spend over 2hrs in sedentary activities such as TV watching and computer games.

Organised sports are a great way to reduce your child’s sedentary time, when playing sport kids also develop and improve:-

- Physical fitness
- Teamwork and negotiation skills
- Decision-making skills
- Motor skills
- Confidence and achievement
- Self-discipline

Organised sports don’t need to be competitive and there are many activities available to suit the needs and abilities of all kids. For example; hockey, soccer, tennis, AFL, football, Nippers.
