Principal’s Report

It’s been a noticeably quiet week at school, with all our senior students enjoying a few days camp in Queensland. The entourage managed to depart on time and made the journey up the coast without any hitches. Mrs Martyn, Mrs Morgan and our beloved students have been housed at the QCCC Centre and have been making use of its fantastic facilities, swimming in their beautiful pools and chowing down on some delicious Thai cuisine. On Monday night, following dinner, the group was immersed in a traditional Indigenous experience. Some local Aboriginal people led our students through a magical night of authentic ochre face painting, dreamtime stories, songs and didgeridoo playing around a campfire.

I’d like to extend a warm welcome to Miss Shepherd who is joining us for three weeks. Miss Shepherd is a prac-student from UNE in Armidale who is in her 3rd year, studying to be a teacher. She is working with the Kindergarten class and has made a wonderful start to her time here.

I’d also like to take this opportunity to welcome a whole group of new faces to Repton. Starting this Friday, we are commencing our hugely successful
STAR Program. This initiative helps to facilitate the transition from pre-school to primary school life for future Repton Kindergarten students. Current students are reminded to help make these future friends feel welcome and safe. It's a pleasure to have them with us. The students will be here from 9-12pm every Friday for the next 5 weeks.
Matt Neal

**Sports Report**

Our young skippers have been practising their moves and are looking forward to next Friday's "Jump Off". Keep seeking sponsorships for 'The Heart Foundation' as we are raising money for a great cause. Thank you to those families that have already returned their swimming scheme notes and payments. It's fantastic to see that everybody is keen to get into the pool! Swimming will commence in Week 6. Students have also been logging their activity time for the Premier's Sporting Challenge. With only a few weeks to go in the challenge, it's great to see most students aiming high.
Well done, Repton!
Matt Neal - Sports Coordinator
