**Principal's Report**

**Wizard of Oz News**

We have started full dress rehearsals and will continue with these this week. The costumes look fantastic! Thank you for everyone’s effort in creating costumes for your children. If your child still doesn’t have a costume, please ensure they have something ready for rehearsals this week. If you are experiencing difficulty in putting the costumes together, please contact me at school. I am most happy to assist.

Raleigh PS is now unable to attend the Matinee performance. We are going to open the performance for any parents and family members who might like to attend during the day as well as the night performance. It is extremely valuable for students to practice in front of an audience, so we welcome your attendance at this show. The Matinee is on Tuesday 8th December and will begin at 1:30. We look forward to seeing many of you there.

**School Social and Year 6 Dinner**

The whole school social will be held next Wednesday 2nd December at the North Beach Club. The social starts at 7pm and concludes at 8pm. Students are practising bush and line dances to perform on the night. We encourage all students to attend and say farewell to our Year 6 students.

Notes for the Year 6 Farewell dinner were sent home last week. Please return these notes and any money to the school by Friday 27th November to ensure correct catering. Thank you to the P&C for covering the cost of the meals for our Year 6 students.

**Presentation Night**

The schools’ presentation night will be held on **Thursday 3rd November starting at 5:30pm**. It is an excellent opportunity for our school community to come together and celebrate excellence in Academic and Sporting achievement, Citizenship and the Creative Arts. Our school leaders for 2016 will be announced and we will look at the achievements made by the school in our Centenary year. We look forward to seeing you all there.

No pre ordering required.

**Sports Report**

Welcome back to another week of sport. Summer really is here early and as it continues to get hotter, please make sure your child is coming to school with their drink bottle and a hat so that they can be protected from the sun.

The last two weeks were a fantastic experience for all students who participated in our School Swimming Scheme. The improvement seen at all levels was truly outstanding. Swimming is a vital skill to possess in our way of life, especially since we live so close to the water. It is
reassuring to know that the students are aware of what to do in case of an emergency or if they find themselves getting into trouble in the water.

Volleyball sessions have continued today and will conclude next week. It is great to see so many happy faces trying out a new sport that they have never experienced before.

We are also practicing our dances in preparation for our school social next week. The students are excited and can't wait to hit the dance floor.
