All students K-6 were involved in developing a plan to best recycle our waste in the future.

Our School Plan for 2015 to 2017 has been completed and will be uploaded to our school’s website shortly. Thank you to everyone who has been involved in the development of this. We have some very exciting projects planned for the next two to three years.

I hope that you all have a relaxing and safe Easter holiday break. Our students return to school on Tuesday 21st April.
