### Principal’s Message

**WORKING BEE**

Don’t forget about our working bee at school this Sunday 24th August from 8am. If you can spare some time, please join us.

**BOOK WEEK**

We are looking forward to our whole school excursion to Bellingen Library to celebrate Book Week which is from 22nd to 28th August. The theme for this year is ‘Books light up our world’.

**CENTENARY**

Final preparations are underway for our Centenary Fair here at school on Saturday 19th September from 9.00am until 2.00pm. We hope to see you here. Don’t forget that tickets for our Centenary Dinner/ dance night on Friday 18th September are available now from [http://www.trybooking.com/IAXB](http://www.trybooking.com/IAXB). We look forward to seeing you there!

**KINDERGARTEN 2016**

We are welcoming enrolments for Kindergarten students for 2016 now. If you know of any new students who are intending on commencing at Repton for next year, please ask them to contact our office to arrange a meeting time and information package.

### WELCOME

Welcome to Vanessa Thornton who will be working with us on Tuesdays to support our Kitchen, Garden, Music program.

Jane Martyn

### URGENTLY NEEDED

Terracotta pots for our gardens. If you have any terracotta pots that you no longer require, please send to the school.

### Sports Report

Last week, Jacob R competed at the Zone Athletics Carnival in Coffs Harbour, racing in the 100m dash. Competition was fierce and although he did not make the final it is an amazing achievement to reach this level. Congratulations Jacob!

This week we have been practising the ‘OXO Reel’ during our daily fitness sessions. This is a traditional partner dance and even though the music is fast, our little legs are keeping up with the beat and everybody has learned the moves. I can’t wait to see it being performed at the Centenary Fair!

Our cricket skills sessions have continued this week. It looks like our students will be well prepared for the Milo T20 Bash in a few weeks’ time. Permission notes will go out to students in years 2-6 next week.

Sports Coordinator

### Working Bee - Sunday 23rd August

We will be having a working bee on Sunday 23rd August from 8am—4pm to gurney, weed and mulch the grounds of the school. If you are able to help please contact Max Fenner on 0428128486 or Beverley at the office.

Any ideas to help beautify the school grounds before our Centenary weekend on the 19th September would be greatly appreciated.

### PREMIERS READING CHALLENGE

Thank you for supporting your child/children to engage in the Premier’s Reading Challenge. The Challenge closes on the 21st August.
Involve your child in choosing the fruit & veg that you buy at the supermarket. Remind them that they need to choose fruit & veg that can be eaten easily and eaten raw. Use this as an opportunity to discuss different types of fruit & vegetables and encourage them to try unfamiliar ones.

Choose fresh fruits & vegetables over dried and tinned varieties for Crunch & Sip. Dried & tinned fruits contain more sugar than fresh fruits so only have those occasionally. Muesli bars, roll ups and fruit leathers have far too much sugar and not enough actual fruit so they are not allowed for Crunch & Sip.

Did you know that prunes are dried plums? Choose plums over prunes as they have less sugar and pop them in your shopping basket over February & March when they are at their best. They are sure to be a hit for Crunch & Sip with their juicy, burst of flavour.

A few chopped up pieces of honeydew are a great idea for Crunch & Sip as they are full of Vitamin C, potassium and fibre. Give them to your kids when the flesh is ripe and green in colour as this is when they are at their sweetest.

CENTENARY NEWS

Keeping you up to date | Centenary Fair | Dinner dance

Less than five weeks!

Please help us put together hampers for the chocolate wheel at the fair. We are looking for donations of kitchen products from Kindy, garden products from 1/2/3 and pamper products from 4/5/6.

Do you like curry? We will run a curry hut at the fair and we need some people to give us an hour of their time to sell curries at the stall.

If you can help with any of the above, please call Jo Fitzgerald on 0408 823 299

We are having a working bee at the school this Sunday 23rd of August to spruce up the grounds prior to the fair. It will start at 8am. Please call Max Fenner for more information 0428128486

50th Jubilee Celebration

The photo above was taken 50 years ago in 1965. This was back when the school consisted of only one building, the building was on piers and River Street was the main road to Mylestom. The photo recently came to light as we have been finalising the centenary book. The book will go off to the printers next week. It has lots of fascinating information and pictures about the first 100 years of our school.

This week the calendar came back from the printers. It is on sale now for school families for just $10. They will also be sold at the Centenary Fair for $12. Stop in at the office and have a look. I am sure you will agree they look great!

The book and centenary DVD will also be on sale at the Fair for $15 each.

Don’t forget, tickets to the dinner dance are on sale via the school website or the school centenary FaceBook page. This is going to be a great night with good food, good company and great fun dancing.

There will be a working bee at the school this Sunday morning (23rd August), starting at 8.00am. It will be a good opportunity to get the school grounds looking great for our Centenary Weekend. We will be getting the high pressure hoses on to the paths and clearing up the gardens and grounds. Please see if you can spare a couple of hours to help out.
