### Principal’s Message

#### CENTENARY CALENDAR
Have you got your centenary school calendar for 2016 yet? They are available at our office for $10. It's a great quality colour publication with photos of Repton, our school and students both past and present.

#### NEW BANNER
We recently purchased a fantastic new school banner that is on display in our office. Thank you very much to Sean Hely who designed it and to Jenny Nisbet who took the photographs for it.

#### WORKING BEE
Thank you very much to the volunteers that joined us at our working bee to mulch our gardens and further clean our surroundings. The work of Max Fenner, Nick Young and Paul Fitzgerald was very well backed up by our hard working P & C executives and family members, as well as other members of our school community.

#### BOOK WEEK
We are looking forward to our whole school excursion to Bellingen Library to celebrate Book Week this Wednesday. The theme for this year is ‘Books light up our world’. As part of our school’s tradition, students are asked to come dressed as their favourite book character this Friday. We will have a parade from 2.00pm where you are welcome to join us.

#### CENTENARY
Final preparations are underway for our Centenary Fair here at school on Saturday 19th September from 9.00am until 2.00pm. We hope to see you here. Don’t forget that tickets for our Centenary Dinner/dance night on Friday 18th September are available now from [http://www.trybooking.com/IAXB](http://www.trybooking.com/IAXB). We look forward to seeing you there! The filming for our DVD has nearly been completed and will be ready for editing soon.

Sports Report
Hi all - Summer is just around the corner and it's starting to heat up in the fine weather. This means that our 'No Hat - No Play' rule is back in effect. Please ensure that your child comes to school each day with their hat and that it is clearly labelled with their name.

We have been dancing up a storm during our Daily Fitness sessions and all students are close to mastering both 'The OXO Reel' and 'Strip the Willow'. The students can't wait to teach you the moves and invite you to dance during our Spring Fair.

Our cricket skills sessions have also been running successfully and all students are eagerly anticipating the Milo T-20 Bash in Week 9. Permission notes have gone home this week. It is a free event, so all students in years 2-6 are expected to attend. Please return these permission notes promptly, thank you.

Stay healthy,
Matt Neal
Sports Coordinator

Do you like curry? We will run a curry hut at the fair and we need some people to give us an hour of their time to sell curries at the stall.

If you can help with any of the above, please call Jo Fitzgerald on 0408 823 299

We are having a working bee at the school this Sunday 23rd of August to spruce up the grounds prior to the fair. It will start at 8am. Please call Max Fenner for more information 0428128486

Centenary Weekend

50th Jubilee Celebration

The photo above was taken 50 years ago in 1965. This was back when the school consisted of only one building, the building was on piers and River Street was the main road to Mylestom. The photo recently came to light as we have been finalising the centenary book. The book will go off to the printers next week. It has lots of fascinating information and pictures about the first 100 years of our school.

This week the calendar came back from the printers. It is on sale now for school families for just $10. They will also be sold at the Centenary Fair for $12. Stop in at the office and have a look. I am sure you will agree they look great!

The book and centenary DVD will also be on sale at the Fair for $15 each.

Don’t forget, tickets to the dinner dance are on sale via the school website or the school centenary FaceBook page. This is going to be a great night with good food, good company and great fun dancing.

There will be a working bee at the school this Sunday morning (23rd August), starting at 8.00am. It will be a good opportunity to get the school grounds looking great for our Centenary Weekend. We will be getting the high pressure hoses on to the paths and clearing up the gardens and grounds. Please see if you can spare a couple of hours to help out.
